**Maximum Number of Campers:** the maximum number of campers on a team (or squad) is set to 10. This has been set to ensure a quality experience with a high staff-to-camper ratio and a number that works well with the activities in our program. Once the maximum of 10 per team has been reached, it is unlikely that additional campers will be accepted for that weekend. However, we do have a waiting list available should there be a dropout or cancellation from the list.

**Minimum Number of Campers:** A team will be cancelled if there are not at least seven (7) campers. If a team is cancelled, then the campers are rearranged, or, moved to the next available camp date. If cancelled by the referring agent or parent, there will be a \$50.00 non-refundable administrative fee. If you are a “no-show,” there will be no refund as we are responsible to still pay for the headcount given to other Camp Coordinators.
