Dear Parent,

Thank you for contacting **Midcourse Correction** about our weekend challenge camp program. We are sorry that you have a need for our services, but are glad that we are here to lend you assistance with your son or daughter. We have been operating for 21 years, initially out of Pine Hills Camp, in Brighton, but we have since transitioned to Covenant Hills Camp in the Flint, Michigan area.

Enclosed you will find the **Parent Information Packet** promised you. The *Parent Packet* contains a description of the Midcourse Correction weekend challenge camp program, a "what to bring" sheet, and a permission/medical slip.

Challenge camps are generally scheduled twice a month through the year. Slots are filled on a first come, first served basis. To enroll your son or daughter, send the completed Permission Slip (both sides) along with payment made payable to: Midcourse Correction. The cost of camp is \$425 **payable only to Midcourse Correction in full at the time of booking**. Please refer to the "Program Cost and Requirements" section on the page to follow for cancellation policies. **Personal checks not accepted less than 14 days from camp** (please send Money Order or Cashier's Check under 14 days or pay with VISA/Mastercard). Mail payments only to our Brighton office address.

Before sending your permission form and check, please **call to confirm** space availability and complete a screening interview. This interview is to ensure we are able to meet your needs in dealing with your son or daughter.

**Registration** takes place between 6:00 and 6:30 pm on the Friday afternoon of your confirmed date. Please plan to attend a short orientation between 6:45 and 7:15 pm.

**Graduation** and pick up is at 4pm Sunday. If someone other than a legal parent/guardian is picking up your child, we will need a signed note from you turned into us on Friday to this effect.

Our 2-hour **Midcourse Parenting** mini forum and seminar is at 2pm on Sunday. This session is highly recommended as it is part of the camp and is facilitated by one of our senior staff. There is no additional charge for attending, but we request sign up on Friday at registration.

Thank you for inquiring about Midcourse Correction.

Sincerely,

Richard Wood, Executive Director

## ***PROGRAM DESCRIPTION OF CHALLENGE CAMP WEEKEND***

**Location:** Covenant Hills Camp, Otisville Michigan

**Length:** 45 Hours, Registration is at 6pm Friday, Graduation is at 4 p.m. Sunday

### **PROGRAM BRIEF**

Midcourse Correction runs an outdoor challenge camp for kids at risk. Our lead staff combined has over 30 years experience in such programs. Our primary objective is to help incorrigible youth develop self-confidence and a higher concern for the effect their choices have on others. The goal is to be a preventative wake up call for youth that are on a self-destructive path.

The program is an intense and highly structured 45 hour training; implementing such tools as daily calisthenics, high adventure ropes courses, marching, teamwork initiatives, and work projects. Seminars, which include guest speakers and videos are woven throughout the weekend, covering such topics as:

**"Cancelled Lives":** A video and discussion that describes life inside juvenile detention, jail, and prison facilities. We consider this our "wake up call" to encourage the youth to look down the road and decide how far into the juvenile system they want to travel.

**"What's to Become of Me":** A discussion of how all choices have positive and negative consequences on our future. Emphasized is the need to develop the mental, physical, social, and spiritual areas of our life to be a balanced person and make better choices.

**"Life on the Wire":** A creative session designed to show in a visual way how our positive and negative decisions have impacted our life. Others may affect our lives, but for the most part our lives are affected by our own choices.

**"What You Believe is not What You Think":** This session teaches the truth that our "actions" reveal to the world what we believe. It is very important that our actions follow what we say we believe and value, otherwise we have only succeeded in fooling ourselves.

**DOES IT REALLY WORK?** Midcourse Correction 45 Hour Basic Training is of course not a cure all for negative patterns, and every youth is unique and will respond uniquely. However we have found very often that participation is a strong catalyst for taking steps in a positive direction and being more open to working with and receiving help from family, counselors, probation officers etc. And that is our hope for your son or daughter.

**GIVING YOUTH AT RISK NEW DIRECTION**

## **SPECIFIC GOALS FOR PARTICIPANTS:**

- To give a "wake up call" It's time to get control of their lives before it's too late.
- To experience how to work together as a team and deal with frustration positively.
- To develop analytical thinking and problem solving skills.
- To challenge abilities and encourage a positive work ethic.
- To build confidence through new experiences and accomplishments.
- To minimize selfishness and develop a growing and genuine concern for others.
- To help realize strengths and encourage their development.
- To help recognize and curb negative attitudes and actions.
- To debrief challenge experiences and discuss how to apply them to real life situations
- To emphasize the importance of growing mentally, physically, socially, and spiritually.
- To challenge them to take responsibility for their actions and the resulting consequences.
